<b>May 10   Retail information updates</b> RE: General Seed - Website corrections to make: Updated information according to the email sent on Nov 1st, 2017	0.50	CAD 0.00	CAD 0.00
<b>May 10   Nov 22nd   Label machine</b> Created a full image of the existing Dell machine, attempted to image the new HP machine with that image. Because of the complications with the old Windows xp that didn't work. Installed windows 7 pro.	3.00	CAD 45.00	CAD 135.00
<b>May 10   Nov24th   New Label setup</b> New Label machine configuration: Installed updates, installed VNC, installed google chrome, installed cute pdf, installed office 2003.	1.00	CAD 45.00	CAD 45.00
<b>May 10   Feb 6th   Website Updates</b> Updated retail contact information and wholesale inquiries as requested from Wayne.	1.00	CAD 45.00	CAD 45.00
<b>May 10   Feb 21st   Label Machine</b> Installed Parallel card and installed drivers, updated machine. Installed Label View software, attempted to authenticate, will need to talk to the Label view folks. Installed Label printer, tested printer to confirm it works. Will need to return to have Jen test.	2.00	CAD 45.00	CAD 90.00
<b>May 10   Feb 24th   Label Machine</b> Continued working on Label view software authentication. Contacted the Label View company and they said we could not authenticate this software on the new machine. Updated drivers for the parallel key, the software would not see the key at all. Uninstalled and installed a different version - still did not authenticate. Took an image copy of the existing work done, talked to Wayne and he provided me with Ian's contact number. Talked to Wayne and Jen about a possible laptop setup and wifi in the office.	2.00	CAD 45.00	CAD 90.00
<b>May 10   Feb 26th   Label Machine</b> Contacted Ian regarding the Label view software. Explained the situation and he is going to contact Jen. (NO CHARGE)	0.00	CAD 0.00	CAD 0.00
